

NCC Education Level 3 Diploma in Business

Applied General
qualification
suitable for
students
aged 16-19 and
adult learners

**Level 3
(L3DB)**
Regulated
Qualifications
Framework (RQF)

Overview

The qualification introduces the field of business and equips students with the necessary study skills to succeed in higher education.

Students are introduced to fundamental concepts of business, cultural competency (particularly in a work environment) and mathematical concepts and techniques to further their understanding of business and assist them in their future studies.

Entry Requirements

For entry onto the NCC Education L3DB qualification students must have at least one of the following:

- Any international qualification which is equivalent to secondary education deemed acceptable by NCC Education

Students must also meet the English language entry requirements of:

- Previously studied in English at secondary school level
OR
- A valid score of 5.5 or above in the International English Language Testing System (IELTS) examination or equivalent

Alternatively, a student can take the free NCC Education Higher English Placement Test which is administered by our Accredited Partner Centres.

What are the benefits of this qualification?

The Level 3 Diploma in Business is an Applied General qualification which allows candidates to demonstrate key transferrable study skills, mathematical understanding and applied IT competency, as well as an understanding of the essential concepts of business and economics.

WHAT'S NEXT?

Successful candidates will fulfil the main entry requirements for NCC Education's Level 4 Diploma in Business or Level 4 Diploma in Computing (with Business Management), as well as the opportunity to access a range of higher education courses or employment.

Examples of higher education opportunities include, but are not limited to, progressing to university degrees in Business Management, Marketing, International Business, Accounting and Finance.

Examples of employment opportunities include roles such as Accounts Clerk, Recruitment Consultant and Accounting Technician. NCC Education has recognition with over 70 universities in the UK, Ireland, Canada, USA and Australia, for students who want to complete their degree overseas at an international university campus.

These provide university progression routes enabling students to further their study and career choices.
